

# CYCU Chang Ching Yu Memorial Library Professional Journal Selection and Acquisition Guidelines

95.4.19 94 學年度第 2 次圖書館委員會議通過

98.4.20 97 學年度第 2 次圖書館委員會議修正

102.5.7 101 學年度第 2 次圖書館委員會議修正

1. CYCU Chang Ching Yu Memorial Library (hereafter referred as library) in order to effectively use financial resources, support academic research, and optimize the effectiveness, the guideline is made.
2. Selection and acquisition of professional journal should consider the importance and scope of use as well as pay attention to the possibility to be obtained in domestic and degree of difficulty.  
“Journal of importance” is according to internationally recognized Journal Citation Reports on the Web (JCR Web) and related important indicator as standard reference.  
“Scope of use” refers to the number of researchers in the school to use the journals and interdisciplinary researcher as a priority.
3. Based on long-term commitment to library consortia and to accumulate knowledge resources as well as to create long-term benefit, the subscription of journal is according to the principle of long-term renewal.
4. Electronic version is the priority of new journal subscription.
5. Subscription and renewal of professional journal should be discussed and listed the priority by each department through department meeting, then submit to library.
6. The regulation and any amendments to them shall become effective after approval of the library committee meeting.
